

## Aros Bostad's Year-end Report shows strong growth of operating profit and large excess value in the building rights portfolio

The interim report for Aros Bostadsutveckling AB publ ("Aros Bostad") shows a strong quarter and the best year-end result in the history of the company. The year ended with nine projects in production, corresponding to 886 apartments, which exceed the company's production target. Five new project opportunities were acquired during the year, corresponding to 450 new building rights, resulting in a total building rights portfolio of 4,861 building rights with an excess value of 2.6 billion SEK or 45 SEK per share. During the year, two projects were sold as rental apartment projects.

### Magnus Andersson, VD Aros Bostad:

*"To summarize, 2021 delivered the best operating profit in the history of Aros Bostad, corresponding to a 42% increase, as a result of strong sales, dedicated work to increase the number of project starts and more projects within our own balance sheet. Based on the fact that we have a large building rights portfolio with good initial values, a well-tuned organisation and a large number of new projects waiting to get started, I really look forward to the continued growth journey."*
