

Aros Bostad signs contract with Bygg R1 for the next phase of Viggby Ängar in Täby

Aros Bostadsutveckling AB publ ("Aros Bostad") has signed a design and build contract with Bygg R1 AB ("Bygg R1") regarding construction of 46 apartments and a garage, corresponding to the second phase of the residential development project Viggby Ängar in Täby.

The residential area is designed by Berglund Arkitekter and will comprise a total of 250 residential units, split on terraced housing and apartments as both tenant ownerships and rental apartments.

Magnus Andersson, CEO Aros Bostad:

"Thanks to the selling of the first phase of Viggby Ängar as rental apartments, we have been able to put forward the production start of the second phase. This means earlier completion of the whole residential area, which is positive for both tenants and our investors."
