

Aros Bostad recruits Hanna Bodbacka as Sustainability Director

Aros Bostadsutveckling AB publ ("Aros Bostad") has recruited Hanna Bodbacka as Sustainability Director. Hanna has solid experience from working with sustainability in several industries, latest as consultant with her own business.

Hanna's most recent role is as adviser within business development and sustainability in her own company, during which she has had an assignment for Aros Bostad. Previously, she has held a management team position at a sustainability consultancy firm in Stockholm, as responsible for business development. She will start the role as Sustainability Director at Aros Bostad in June 2022.

Magnus Andersson, CEO Aros Bostad:

"We are very pleased with welcoming Hanna to Aros Bostad, after a thorough recruitment process with several highly qualified candidates. It is important for us as a company to decrease our climate footprint and make a positive contribution to the society, through our residential development projects. By adding the Sustainability Director role to the management team, we can accelerate our work even further."

Hanna Bodbacka, Sustainability Director Aros Bostad:

"I am very much looking forward to join Aros Bostad and continue to accelerate change towards sustainability. As a residential developer Aros Bostad has a large impact and many challenges ahead, but thereby also a great opportunity to make a difference."
